ABOUT AYA AND THE ALPHAS

THE EXPANSIVE SEQUEL TO *EVE AND THE FADERS*...

When a young girl, Aya Wright, develops extraordinary abilities and becomes a target of the world's most powerful fader, Eve must protect her. But at what price?

In the twenty-five years since she exposed the existence of faders, Eve Cooper has survived the collapse of her country and the loss of her closest friends. Now she lives a mostly solitary life in rural Indiana, where she runs a secret network and safe house for faders—individuals like her with extraordinary abilities.

In nearby Chicago, a young girl named Aya Wright becomes a target of the world's most powerful fader because of her unparalleled abilities. When she arrives at the safe house after an attack, Aya soon sets in motion a series of events that threaten not only to upend Eve's settled life but potentially change the world. As Eve struggles to reconcile her past with the choices in front of her, she must decide whether to leave her reclusive life to protect Aya or allow the headstrong girl to find her own way in the world...
